This book will equip you with the information you need to understand key doctrines of Catholicism and explain them to others. Along the way, you will find yourself falling more deeply in love with your faith and more confident of your ability to bring healing and hope to what Frank Sheed called "a society that is losing contact with God."

**PICNIC NEWS • WIADOMOŚCI PIKNIK**

**CHURCH PICNIC HELP REQUEST**

Our biggest annual fundraiser is our church picnic. It is an essential source of funding. It is required to assist with parish expenditures. The picnic committee puts a lot of effort into making the event a success. Every event needs leadership to be planned in order to be successful. Unfortunately, this past year led to the loss of leaders of the cherry tree, children's games, and the country store. Therefore, we are in need of filling these positions in order for the picnic to be successful. These events are so important because they are for families. These events do not need to be led by one person. There could be two or three willing to do the job. Not having these events, will question whether to have the picnic or not. Our parish has set an example of collaboration and success in our community. Would you please think about helping out at one of these events? You will feel a sense of success by contributing to the financial stability of our parish, but the labor is undeniable. Call me, Arleen Gross, at 715-341-3645 if you have any questions or are interested.
